南洋罐頭食品廠(泰國)大眾有限公司

บริษัท ทรอปีคอลแคนนิ่ง (ประเทศไทย) จำกัด (มหาชน)

“ISSF IOTC YELLOWFIN TUNA REBUILDING ”

10TH March 2026

Tropical Canning (Thailand) Public Company Limited is committed to the environment responsible and sustainable fishing. As member of International Seafood Sustainability Foundation (ISSF), the company believes that the health of fisheries and support conservation measures from ISSF aimed at assuring a long term supply of fish in the best interests of consumers, the environment and future generations.

The most recent advice from the IOTC Scientific Committee recommended a reduction in catches of Indian Ocean Yellowfin . In increase the effectiveness of the Indian Ocean Yellowfin rebuilding plan, Tropical Canning will reduce the purchase of Indian Ocean origin Yellowfin by 11-22% calculated with respect to the company’s average annual level of Indian Ocean Yellowfin purchases from 2017-2019. During 2025-Q1 to 2025-Q4, the company has reduced the purchase by 30.73%.

Thank you in advance for your continued support and partnership in meeting these mutually beneficial objectives.
